

EU BUSINESS HUB @ WORLD HEALTH EXPO OSAKA 2026

Engage with EU's Premier HealthTech & Life Science Innovation

The EU Business Hub proudly announces its inaugural participation at “World Health Expo Osaka 2026” (WHX 2026), an initiative connecting Japanese companies with leading European innovators. This landmark Osaka event is a vital platform for collaboration, bringing together outstanding expertise in healthcare and medical technology.

At the EU Pavilion, around 50 innovative European companies will present advanced solutions in Digital Health, Medical Devices, Diagnostics, Drug Development, Wellness, and Manufacturing. These exhibitors have been selected for their cutting-edge products, technological excellence, and strategic vision.

As a premier international forum, “WHX 2026” is expected to attract tens of thousands of professionals and hundreds of exhibitors. The EU Pavilion provides Japanese businesses an unprecedented opportunity to forge strategic partnerships and discover commercial opportunities with Europe's leading innovators.

This inaugural business mission marks a landmark moment, opening a new chapter of collaboration between Japanese and European healthcare companies. Attendees will have direct access to European med tech companies, a key sector that plays a central role in advancing healthcare delivery, improving patient outcomes, and supporting the digital transformation of health systems.

Don't miss this unique opportunity to connect with the forefront of European medical technology!
